Early bird rate of 620 Euros for IATA/IAMI members  
720 Euros standard rate.

We are delighted to be running the **Aviation Health 2022** as an in person event which this year is taking place in Paris, France.

The **Aviation Health Conference 2022** is jointly convened with the International Airlines Medical Association (IAMA) and Chaired once again by:

**Dr David Powell, Medical Advisor to IATA, and Aviation Medical Specialist.**

**Speakers and Topics already confirmed Include:**

**Keynote: Pandemics – what’s next?**

Dr Isaac Bogoch, University of Toronto

**The Evolving Challenges of Aviation Disinfection**

Dr Paul Wynn-Hatton, Callington

**The Determination of Breath Biomarkers for Disease and Health Identifiers to Create a Non-Invasive Rapid Screen using Portable Mass Spectrometry**

Dr. Guido Verbeck, University of North Texas; John Redmond, InspectIR

### **Managing the mental health of airline employees during the pandemic**

Dr Jim Chung, Air Canada; Neil King, Lifeworks

### **What role does the aviation industry play in driving innovation towards combating emerging infectious diseases and future pandemics?**

Dr Sanjay Pooran, Geneva Centre for Security Policy

### **ECG's In Flight – Do they save lives?**

Dr Paulo Alves, MedAire

### **Nanoparticles – What are they and should we be concerned?**

Dr Richard Pleus, Founder and CEO, Intertox

### **Prophylaxis against malaria for crews: North African experience**

Dr Samir Jebbad, Royal Air Morocco

### **Fear of Flying**

Fanny Levy MD, President & Co-Founder, MyReVe

### **Passengers Medical Fitness for Zero G Flights and Suborbital Flights**

Professor Henri Marotte

You can see the full agenda using the link below:

#### **Hotel Information:**

The hotel that we have selected this year is the Mercure Paris La Villette. It is located near the Philharmonie, Parc de la Villette in Paris and has been chosen to be near the ICAM congress for those delegates who will be attending both events.

From this hotel it is also very easy to travel in Paris as both a metro and tramway station are very close.

We have secured a rooming block with the hotel, available on a first-come, first-served basis and you can book your hotel room directly using this link here [Hotel Room Booking Link](#) Please note that this booking link is valid for bookings from the 19th - 22nd September. If you wish to book a longer period then please use the Accor website which can be found here <https://all.accor.com>

The room rate on our rooming block is 165 Euros each night for bed and breakfast.
